**YOU ARE INVITED  
TO DISCOVER  
AN EXCITING HOBBY!**

The Sedona Gem & Mineral Club offers an opportunity to learn about some of the Earth's most fascinating wonders.

Our members discover where and how to collect some of the best rocks, crystals, minerals, and fossils available in the Southwest.

Collecting is only part of the fun. Many club members are experts in geology, lapidary arts, jewelry making, carving, bead stringing, faceting, mineral identification, and more. They share their expertise through classes and workshops available to our members.

## Our Meetings

At our meetings we have displays, raffles, educational speakers, a sales table, and discussions on upcoming field trips. We have a coffee and cookie break, and a guest speaker presents a program. We also offer classes, and other member opportunities.

Meetings are held the 3rd Tuesday of the month at 7:00 PM Sept. through Nov., and Jan. through May at the Sedona Library.

In December we have a holiday potluck dinner, and in June, a club picnic, in lieu of regular meetings.
